

Specifications | High Seas 63

Type of boat: Pleasure
Builder: Allan Barnett Fishing Co.

General

Length Overall: 62'9" (19.20 Mtrs)
Length on Deck: 56'6" (17.25 Mtrs)
Length At Waterline: 52'6" (16 Mtrs)
Beam: 18' 0" (5.49 Mtrs)
Draft: 5'6" (1.68 Mtrs)
Displacement: 68 tonnes
Diesel: 10,500 Litres
Fresh Water: 900 Litres
Black Water: 600 Litres

Construction

Built to U.S.L. 2b Hull, Machinery, Superstructure
Hull: 6mm Bhp Steel Grade 250
Keel: 25mm Bhp Steel Grade 250
Skeg Sides: 10mm Hbp Steel Grade 250
Deck: 6mm Bhp Steel Grade 250
Bulkheads: 6mm Bhp Steel Grade 250
All Steel Australian Made
Pilothouse and Deckhouse: 6mm 5083 Dnv Certified Marine Grade Aluminium

All Steel Shotblasted and Primed with Jotun Muki Z Weld Primer Vessel Externals Re-Blasted on Completion of Hull and Painted to Jotun Specifications and Finished with Awl Grip.

Main Propulsion

2 – Qsb 301 Cummins Diesels of 301 H.P. @ 2600 R.P.M., Coupled to Twin Disc Mg 5065a 2.43:1 Reverse Reduction Gearboxes.

Propellers

Left and Right Hand Mikado 4 Blade
31" Diameter X 20.6 Pitch .7 Bar

Shafts

2 ¾" 316 Stainless Steel
Providing 5mm Wear Factor

Shaft Seals

Pss

Shaft bearings

Duramax Water Lubricated

Instruments

Full Engine and Gearbox Instrumentation
Alarms Fitted

Engine Controls

Cummins Mercruiser Electronic Lever Controls

Gensets

1 – onan 22.5 Kw @ 240 Volts
Complete with 24 V.D.C. 20 Kw Clutched P.T.O. Driving Hydraulics
1 – onan 7 Kw

Gensets Complete with Manufacturers Sound Shields and Fitted with Auto Shutdown System

Lube Oil Change System

Reverso Gp906 24v Connected to each Sump

Exhausts

All Engines Fitted with Wet Exhausts Exiting Hull Through Transom

Cooling System

Raw Water Heat Exchangers

Seachest and Seacocks

All 316 Grade Stainless Steel

Bilge System

40 Mm Varisco Single Phase Self Priming C/W 316 Shaft, Bronze Housing and Impellor. All Manifolds, Valves and Pipework Polished 316 Stainless Steel.

Float Switches Fitted to All Compartments

24 Volt Submersibles (Johnson L2200) Fitted to Each Engine Pod and Main Bilge. Backup Jabsco Amazon 100 Litres/Min Manual Pump

Ventilation

2 – 36-48 Cubic Metres Per Hour 24 V.D.C. Blowers.

Fire Prevention

Machinery Space Mistex Fire Suppression System Manually Remote Activated

Phirex Alarm System In Pilot House

Panels

Ac/Dc Panels In Engine Room and Pilot House

Domestic Lighting

24 Volt D.C. As Per Chesapeake 58'

Batteries

2 – Main Engine Start Banks 24 V.D.C.

2 – Genset Start Banks 12 V.D.C.

1 – House Bank 24 V.D.C.

Charging - Engine Batteries - By Alternators Fitted to Engine House Bank

Inverter/Charger

Outback Power Systems Vfx 3024e

240 Volt Ac 3000 Watt 85 Amps Charging @ 24 V.D.C.

Complete with Mate 2m System Contoller & Display

Shore Power Inlet – 32 Amp Single Phase

Windshield Wiper

Hepworth 50 Nm Pantograph Style on 3 Front Windows with Fresh Water Washers

Communication and Navigation

V.H.F Radio – Icom M-302

H.F. Radio – Ic-M801e

Entertainment System – Panasonic Sa-Xr57 Comp Digital Receiver with Panasonic D.M.R. Ex 85 Dvd Recorder 250 Gb Hd B/In Sd

Running Lights – All L.E.D. By Hella

Navigation

2 X E120 Raymarine Screens

Radar, Sounder, Plotter & Cameras on Aft Deck

St 7002 Raymarine Smart Pilot

J.V.C. D.V.D. & Am/Fm Receiver

Auxiliary Systems

Fuel Tanks – Built In Welded Steel Construction with Inspection Openings, Vent, Fill Supply and Return Lines All In 316 Stainless Steel

Fuel Manifolds – All Manifolds (Supply & Return), Valves and Pipework 316 Stainless Steel.

Fuel Filtration – Fleetguard Sea Pro Series 7 Duplex, Fitted with Reverso Fp-301 24 Volt Priming Pump

Fresh Water Tanks and Systems

900 Litre Inbuilt with Inspection Opening, Vent, Supply and Fill

Fresh Water Pump – 1 – Southern Cross Tq800 Single Phase with Stainless Pump and Electronic Pressure Control

Fresh Water Piping – All 316 Stainless Steel

Water Heaters – 2 – 50 Litre Stainless Steel Hot Water Cylinders (Woody's 240 Volts 1800 Watt)

Waste Tanks – 600 Litre Built In

All Valving and Pipework 316 Stainless Steel

Watermaker – Hp Ultracompact 80 Litres/Hour with Auto Flush

Deck Wash System

2 – Spigots Provided (Fore and Aft Decks)

Rudders and Steering

Rudders – Duramax bearings

Rudders tocks: 316 63.5 Mm Stainless Steel

Rudder Blades – 12mm Steel with Pintle bearings

Steering – Electric Over Hydraulic Power Assisted

Bow Thruster – Side Power Sp300 Hyd Hydraulic with Variable Control, 285kg Thrust

Fitout

Airconditioning – Webasto Tempered Water System to all Accommodation Areas

Pilot House & Deckhouse Windows – 10mm toughened Safety Glass Grey Tint In Saloon, Clear In Pilot-House (Survey Requirement)

Doors, Hatches – Ss Rear Doors, Aluminium Sliding Doors, Engine Room and Aft Deck Hatch By Allan Barnett Motor Yachts. Chain Locker Hatch by Freeman

Port Lights – Vetus, Watertight

Insulation – Hull, In Accommodation Areas Sprayed with 2 Pack Expanding Polyurethane Foam Providing Excellent thermal Insulation as well as Corrosion Prevention

Aluminium Superstructure – Insulwool Batts

Engine Room Ceiling and Accommodation Bulkhead Sound Proofed with Soundsorber Bar 32 Foam and covered with Perforated Sheet Lining For added sound proofing and Insulation Protection

Deck Fittings

Anchor Winch – Muir Thor 4200 Hydraulic Horizontal Chain Gypsy and Capstan Head

Anchor System – Self Stowing Bow Roller

Cleats and Bollards – Four Polished Stainless Steel Bollards

2 At Bow

2 At Stern

1 Each Port and Starboard (Amidships)

Hawse Holes – Four Polished Stainless Steel to Match Bollards

Anchors – 1 – 82kg Higwood Galv High Holding Power Plough Anchor (Australian Made)

Chain – 82 Metres 16mm Galv Short Link P.W.B Chain (Aust. Made)

Handrails – Polished Stainless 316 Handrails According to Usl Code

Crane – Saloon Roof – 1 – Opacmare 3030/45 Electric Hydraulic Crane 500 Kg Capacity @ 4.2 Metre Reach

Dinghy – 1 Swift 3.6 Metre Rib

18 H.P. tohatsu Two Stroke Outboard

Ladders – to Flybridge From Pilot House Internally

Galley Equipment

Microwave – Sharp Carousel 240 Volt 800 Watt

Vent Fan – Westinghouse Rangehood 240 Volt

Gas Stove – 3 Burner Smev

Refrigerator 240 Volt A.C. – Fisher Paykel 270 Litre one Door

Electric Oven – Miele H4220b 240 Volt

Dishwasher – Fisher & Paykel Single Drawer

8 Bottle Wine Cooler

Brema Ice Maker

Panasonic Lcd Television

Chest Freezer 186 Ltr In Pilothouse

Washing Machine & Dryer T.B.A.

Ss Olivier Sink & Drain Board

Flush benchtop Rubbish Bin

Safety Systems

Liferaft 6 Man Coastal

Flares: Usl 2b

Life Jackets: Solas (6)

Fire Buckets: to Meet Usl 2b Requirements

Interior Layout

Pilot House – Single Steering Station with Bow Thruster and Anchor Winch Controls and Engine Controls Mounted In Console

Lounge Seats and one Dining Table

Leather Upholstery (Gosh Leather)

Two Navigator Helm Chairs (Ultra Leather)

Steps Up to Pilot House Starboard of Centre

Engine Room Access Through Flush Hatch Starboard of Centre Forward

Saloon Table and Lounge As Per Chesapeake 58' (Gosh Leather)

below Main Deck

Access From Pilot House on Starboard Side

Owners Stateroom – Located Amidships 2.7 Metres Long and 5.2 Metres Wide.

Queensize bed Located on Centreline

J.V.C. D.V.D. Am/Fm Receiver
